

NNICC Minutes
July 9, 2009
Associated Builders & Contractors
240 S. Rock Blvd, Suite 121

Chapter Vice President Eric Simonson called the meeting to order at approximately 11:50 am.

The May meeting minutes were not read as the Chapter Secretary was not present for the May meeting.

President Mike McCullogh gave us a current Treasurers report.

Under new business, Mike discussed an update to our bi-laws with regards to our tax-exempt status.

The Chapter had a group discussion with regards to the code conference at this years I.C.C. Annual Business Meeting (ABM).

Mike also gave everyone an update on current local jurisdiction days and hours of operation due to the declining construction economy.

Mike then opened the floor for discussion on what potential code update classes the Chapter would be interested in. And during this discussion Mike brought up the idea that there could possibly be a regional delay in the adoption of the 2009 Codes.

At this point both Mike and Eric introduce Dave with Independent Power Corporation for their presentation on basic solar energy systems.

After the presentation Vice President Eric Simonson adjourned the meeting.
