Chapter Vice President Eric Simonson called the meeting to order at 11:50 am.

Eric asked that the January Chapter Meeting Minutes be read by the Chapter Secretary D J Korson. Minutes were read and approved by the Chapter after President Mike McCullogh made a correction with regards to ICC's continuing education courses.

V.P. Eric Simonson then gave us the Treasurers report.

Under new business, V.P. Eric gave the Chapter meeting attendees a summary of the Chapter Officers meeting held on February 18th:

At this time V.P. Eric introduced Keith Johnson with Clark Western Building Systems to give the Chapter a presentation on proper specification and installation recommendations for nonstructural steel stud wall framing.
