

NNICC Minutes
November 19, 2008
Associated Builders & Contractors
240 S. Rock Blvd, Suite 121

Chapter President Mike McCullogh called the meeting to order at 11:30 am.

The October meeting minutes were not read as they had been lost in cyberspace.

Mike gave us a current Treasurers report.

Under new business, Mike brought up the discussion on Chapter sponsored continuing education courses. Five of which will be held during November and December. Mike also discussed a possible up coming class on the 06 IRC to be held after the first of the year.

Mike then moved on to cover our upcoming 2009 Chapter election of Chapter Officers and the Chapter Board of Directors. Mike had nomination forms to be passed out to all attendees and informed everyone that the nomination forms were also available on our Chapter website. He informed us that all nomination must be received by the Chapter Secretary by January 1, 2009 in order for the manes to be placed on the absentee ballots for distribution.

Mike then made the announcement regarding our 3rd Annual Chapter Christmas Party to be held again this year at Austin's Restaurant on December 17th. Mike informed us that we would not be having a December Chapter meeting, but instead all should try to attend the Christmas Party.

Mike asked if anyone had any other announcements, at which point our Chapter 2nd V.P. brought up that there are also two IAPMO classes coming up for the 06 UPC & UMC.

With Arvil's announcement, Mike also brought up that there are also NFPA classes being held in Reno and that anyone interest should visit NFPA's website for information.

Mike then commented that all of the local NNICC, NNIAEI and NNIAPMO classes are posted on the NNICC website.

Mike then introduced our meeting speaker, Jerry Parks with Western Wood Preservers Institute to give his presentation on wood preservatives and wood fire retardants.

Presentation completed.

Mike McCullogh adjourned the meeting.
