

**NNICC Minutes**  
November 18, 2009  
Associated Builders & Contractors  
240 S. Rock Blvd, Suite 121

Chapter President Mike McCulloch called the meeting to order at approximately 12:10 pm.

The September meeting minutes were read by Chapter Secretary and approved by the attending members

A current Treasurers report was not given as the report was not printed prior to the meeting; however the issues we were experiencing with our QuickBooks accounting program update has been resolved.

Mike and Eric gave the attending members a overview of the ICC `09 ABM, including – Ron Lynn of Clark County was elected as the ICC President.

The residential fire sprinkler requirement in the IRC is here to stay (in `11 IRC)

Mike and Eric attended the Chapter Benefits meeting which indicated that some day they might restore the chapter class benefit.

Mike and Eric also attended the ICC Green Building certification program.

As for Chapter continuing education classes, Mike indicated that there would be no further classes prior to years end and that any classes would be pushed back to at least February of next year. However, he said he was trying to schedule a plan reading class as suggested by the jurisdictional Permit Techs in the area, and that such a class would be beneficial to all members. We still need member feedback on topics for future classes.

**Announcements -**

Mike informed us that Eric Makla is now working for the Department of Energy.

Mike also put out the call for candidates for the upcoming Chapter elections for 2010. As indicated before both Mike and Charlene are not running for President and Treasurer respectively and nominees will be needed to fill these positions.

For our next Chapter meeting Mike let us know that Dave Nichols has lined up David deCourcy of the ICC to speak to the Chapter.

At this point there was a discussion regarding all of the local Jurisdictions depleted work forces and how it is affecting each jurisdiction's work load.

President Mike McCulloch adjourned the meeting.
