

NNICC Minutes
February 20, 2008
Associated Builders & Contractors
240 S. Rock Blvd, Suite 121

Chapter President Mike McCullogh called the meeting to order, determination on a quorum was not required as no issues required a vote.

January meeting minutes were improvised as the new Chapter Secretary had not been chosen yet as the election of officers was held during this meeting.

With this in mind, Mike announced the election results and new officers.

Mike reminded us to please turn off our cell phones and pagers, that the fines will be enforced for any of these items going off during the meeting.

Mike reported that our Tax Exempt status with the Feds will be discussed at the Chapter Board meeting which will have to be rescheduled due to its conflict with the NNIAEI February meeting.

Mike also discussed the upcoming Energy class, and several other potential upcoming codes classes.

Vice President Adam Gilbert presented Mike McCullogh with a plaque in appreciation for all his work in putting together the Northern Nevada Code Amendments.

With this in mind, Kevin Gattis asked for an update on adoption schedules for the participating jurisdictions. Mike ran down the different jurisdiction adoption schedules; Lyon County and Carson were effective January 1st, Washoe is effective March 10th, Fernley April 1st, Sparks is looking to have their package adopted and effective by July 1, 2008. The City of Reno does not have a current adoption schedule to date.

Mike introduced our meeting speaker, Wendy Allen P.E., with Simpson Strong Tie to give her presentation on concrete anchoring systems.

Kevin Gattis fined for his cell phone ringing by our Sergeant at Arms.

Presentation completed.

Mike McCullogh adjourned the meeting.
