

**NNICC Minutes**  
June 18, 2008  
Associated Builders & Contractors  
240 S. Rock Blvd, Suite 121

Chapter President Mike McCullogh called the meeting to order at 11:50 am. With only 23 “A” class members present (out of 28 needed), a quorum for voting purposes was not established for the meeting.

May meeting minutes were not read as the chapter secretary did not bring the minutes.

Mike gave us a current Treasurers report.

Under new business, it was announced by Mike that our new Chapter web site was finally up and running.

Mike also discussed the upcoming IBC class, and that he had not sent a notice out yet because he wanted to give members attending the meeting first crack at it since seating is very limited. He also discussed upcoming codes classes, and how the Chapter was trying to provide low cost or cost free classes in light of the current economic situation that most jurisdiction are currently facing.

Discussion of a special election to nominate and vote on a new 2<sup>nd</sup> Vice President was brought forth by Mike McCullogh due to the loss of our 1<sup>st</sup> V.P., Adam Gilbert, after staff reductions within his jurisdiction. Mike stated that under these circumstances, usually every officer moves up a position; however, all current officers wanted to remain within there positions except our 2<sup>nd</sup> V.P. Eric Simonson who moved up to 1<sup>st</sup> V. P. With Eric moving up, Mike noted that we needed to hold a special election during the July, 2008 business meeting to elect a new 2<sup>nd</sup> V.P. Nomination forms were handed out at meeting during sign-in and will be posted on the Chapter web site.

- Past President, Gabe Brillante, brought to discussion that both class “A” and class “AS” members can submit nominations.

Finally, under new business, Mike discussed the 2008 ABM and whether or not we need to send two or three Chapter members to the meeting.

At this time Mike introduced Ron Lynn who brought the Chapter up to date on all the current ICC news that is happening across the national as well as internationally.

Mike then introduced our meeting speaker, John Nosse, President of the ICC-ES to give his presentation on ICC-ES evaluation process.

Presentation completed.

Mike McCullogh adjourned the meeting.
